Happy Birthday, you just turned 21! You can now legally buy alcohol, but if you're thinking of buying a beer for that friend who is still underage, think again. **Being twenty one means you're legal to buy, not supply. It could cost you up to \$1,000 in fines, up to 90 days in jail, and even emergency room visits, traffic crashes, violent crimes, and more.** Twenty one may be old enough to buy, but don't supply.
